About This Game

Diaspora : Mass Exodus is a 2D/3D RPG MMO point-and-click. You buy your ship, head out to space and decide how you want to make a living and to what extent you want to try to conquer the galaxy. The game is free to play, with the options for premium content, skins and other things to make you stand out. There are planets to take over, control and upgrade, aliens to fend off, and empires to build. Work hard on your own or a group of friends to become the most powerful and dangerous pilot in the galaxy.

This game is under constant update, we are adding new things regularly because of this you will see Under Construction for items we are currently working on.
